

## WRAP REEL

### 1. Available Variants

1. **Wrap Reel – 10 Leas – Automatic With Digital Counter**
2. **Wrap Reel – 12 Leas – Automatic With Digital Counter**
3. **Wrap Reel – 16 Leas – Motorised With Digital Counter**
4. **Special Wrap Reel – 08 Leas – Automatic With Digital Counter**

### 2. Common Details

#### Compliance Standard

ISO-2060/3801, ASTM D1578/1907/2260/2646/3776, BS 2010/2471/6372, IS 13151, DIN 53830

#### Construction / Common Features

1. With Electronic Pre-settable Counter equipped with PNP Proximity switch.
2. Whole Machine constructed from best quality Mild steel material, duly Metallic color painted.
3. Basic Loop circumference having diameter of 1 Meter to 1.5 meters.
4. Ease of Loading and unloading arrangement.
5. Aesthetic Exterior Appearance.

#### Common Technical Specifications

| Specification                        | Details                                     |
|--------------------------------------|---------------------------------------------|
| Useful for material                  | PP (Flat Tape, Multi-Filament, Mono Yarn)   |
| Length Counter Meter Range           | 1-100000 Meter                              |
| Operation                            | Motorized with Auto-Stop Function           |
| Can accommodate Bobbin Size (Dia)    | 300 mm                                      |
| Can accommodate Single Bobbin Weight | 10-12 Kgs                                   |
| Bobbin Holder                        | Arrangement for easy mounting and Unloading |

### 3. Variant Details

#### 3.1 Wrap Reel – 10 Leas – Automatic With Digital Counter

1. Make 10 Leas at a time – Motor Operated.
2. Equipped with 1/8 th H.P., Single Phase, Geared Motor.

#### 3.2 Wrap Reel – 12 Leas – Automatic With Digital Counter

1. Make 12 Leas at a time – Motor Operated.
2. Basic loop circumference having diameter of 1 Meter to 1.5 meters (Denier).
3. Equipped with 1/8 th H.P., Single Phase, Geared Motor.

#### 3.3 Wrap Reel – 16 Leas – Motorised With Digital Counter

1. Make 16 Leas at a time – Motor Operated.
2. Equipped with 1/8 th H.P., Single Phase, AC Geared Motor.
3. Supplied complete with Bobbin holder & tensioning device.

#### 3.4 Special Wrap Reel – 08 Leas – Automatic With Digital Counter

1. Make 08 Leas at a time – Motor Operated.
2. Basic loop circumference having diameter of 1 Meter to 1.5 meters (Denier).
3. Equipped with 1/2 H.P, Single Phase, Geared Motor.
4. Also equipped with Tensioning Device and Bobbin Holders.
5. Supplied complete with CREEL (Bobbin Holder).

### 4. Common Specifications

| Specification                        | Details                                     |
|--------------------------------------|---------------------------------------------|
| Useful for material                  | PP (Flat Tape, Multi-Filament, Mono Yarn)   |
| Length Counter Meter Range           | 1-100000 Meter                              |

## 5. Variant Specifications

### 5.1 Wrap Reel – 10 Leas – Automatic With Digital Counter

| Specification            | Details                                 |
|--------------------------|-----------------------------------------|
| No. of Bobbins At a Time | 10 Nos                                  |
| Speed                    | 1-200 Meter/Min                         |
| Motor                    | 1/8 th H.P., Single Phase, Geared Motor |

### 5.2 Wrap Reel – 12 Leas – Automatic With Digital Counter

| Specification            | Details                                 |
|--------------------------|-----------------------------------------|
| No. of Bobbins At a Time | 12 Nos                                  |
| Speed                    | 1-200 Meter/Min                         |
| Motor                    | 1/8 th H.P., Single Phase, Geared Motor |

### 5.3 Wrap Reel – 16 Leas – Motorised With Digital Counter

| Specification            | Details                                                  |
|--------------------------|----------------------------------------------------------|
| No. of Bobbins At a Time | 16 Nos                                                   |
| Speed                    | 1-200 Meter/Min                                          |
| Motor                    | 1/8 th H.P., Single Phase, AC Geared Motor               |
| Tensioning Device        | Supplied complete with Bobbin holder & tensioning device |

### 5.4 Special Wrap Reel – 08 Leas – Automatic With Digital Counter

| Specification            | Details                                                 |
|--------------------------|---------------------------------------------------------|
| No. of Bobbins At a Time | 08 Nos                                                  |
| Speed                    | 140 Meter/Min                                           |
| Motor                    | 1/2 H.P, Single Phase, Geared Motor                     |
| Tensioning Device        | Also equipped with Tensioning Device and Bobbin Holders |
| Creel                    | Supplied complete with CREEL (Bobbin Holder)            |
